I certify that the above information is true and correct to the best of my knowledge. I understand that this information is being given for the receipt of scholarship funds and that deliberate misrepresentation of the information may subject my player to immediate dismissal from his/her FCSC team. I also understand that each family receiving financial assistance is expected to provide volunteer hours (based on division playing in) to the benefit of Salmon Creek Soccer Club Recreational and/or its Advanced Level Divisions during the year financial assistance is received.

Salmon Creek Soccer Club offers financial assistance to those players that demonstrate a need. Please explain in the following paragraph why you are in need of financial assistance. Providing more information to the Financial Assistance Review Committee allows us to make a better decision for both the applicant and the Club. Help us help you by providing as much information as possible to assist us in our financial assistance decisions. Use back of form if needed.

Salmon Creek Soccer Club financial assistance funds are for the cost of registration that includes the FCSC league play. Uniform, warm ups, bag, indoor soccer fees, training, and soccer camps are not eligible for financial assistance. Financial assistance is the last payment applied to a members account. Applying for assistance does not eliminate the need to make payments on account.
