

## Tina Ellertson, Assistant Coach of US GU14 National Team in training at Norco, California

“It’s such a privilege to get to work along side such a quality US Soccer coaching staff and with young girls across the nation who aspire to play at the highest level. But what I love more is to bring all the knowledge I learn on the road to Salmon Creek and the loving support my Salmon Creek Soccer teams show me and support me in growing as a coach. Sports is family I am a firm believer in that.”

Tina Ellertson, FCSC Academy Director & Coach

*“This is a huge personal honor and achievement to Tina and a fantastic recognition to Salmon Creek Soccer Club to have one of our Club coaches as an Assistant at the US National Team level. As a Staff Coach, Tina will travel to Italy with the GU16 National Team in late April 2018.”*
